

AIRPORT POLICE DIRECTORATE

29023-T-2020/

INFORMATION ON THE ORDERING, AS A TEMPORARY MEASURE, OF AN EPIDEMIOLOGICAL SURVEILLANCE IN AUTHORITY HOME OR IN A DESIGNATED QUARANTINE

Personal data of person (client) placed in authority home quarantine/designated quarantine*: (Please fill in the form with capital letters!)

Name:.....
Mother's maiden name:.....
Place of birth:
Date of birth:.....
Permanent address:
Temporary residence:
Type and number of ID document:
Is there a suspicion of infection with COVID-19? YES NO**

Please be informed that the Airport Police Directorate (authority), as a temporary measure, has placed you in authority home quarantine/designated quarantine* (hereinafter quarantine) from (day)..... (month), 2020. The Airport Police Directorate has verbally informed you about the order stipulating this fact.

Place of quarantine: (the permanent or temporary residence of the person or the place designated by the authorities):

The authority that has taken the temporary measure shall notify the competent epidemiological authority about the measure taken by it without delay. Until the decision of the competent epidemiological authority is made, the person placed in quarantine must comply with the following rules:

- 1. During the time of the quarantine he/she may not leave his/her place of residence, may only contact other persons by obeying the rules set up to prevent the infection, and may not invite guests.
2. In case of necessary medical healthcare he/she is obliged to make an appointment with his/her doctor via telephone.
3. In case of occurrence of respiratory symptoms (fever, coughs, shortness of breath) he/she is obliged to notify his/her family doctor or an on-call doctor immediately and follow the instructions given by him/her.

Please be noted that persons not complying with the rules of isolation, surveillance, lockdown, examinations, or any protective measures shall be considered as committing a minor offence.

Please be informed that, in case you are of full age and you have full legal capacity, the Police may check the obedience of the rules of the quarantine with the help of an electronic software (application) that is capable of monitoring your movements and forwarding your facial picture and medical data given by you. The Police may do the surveillance via the software in case you declare that the conditions of installing the software are available, you possess a device that the software may be installed on and you undertake the installation and use of the software on a voluntary basis.

In case you wish to make a declaration with the contents mentioned above, you must accept the pop-up declaration during the download and registration process of the software.

Applied legal provisions:

56§ (5), 65§, 67/A§, 74/B § of Act CLIV of 1997 on Health; 11§ (5) of Act XI of 1991 on Health Authoritative and Administrative Activities; 85§ (4)-(5), 106§ of Act CL of 2016 on General Public Administration Procedures, 2-7§ of Government Decree No 408/2020 (VIII.30) on travel restrictions of the pandemic preparedness period.

You are obliged to place the provided (red) warning sticker on the door of your place of residence.

Budapest,(day).....(month), 2020

*Please underline whether an authority home quarantine or a designated quarantine will be executed, as outlined in 3.§ and 7.§ of Govt Decree 408/2020 (VIII.30.) on travel restrictions of the pandemic preparedness period.

** Please underline the corresponding answer.

General information on Government Decree 408/2020 (VIII.30.) (for crossing the air border)

The government decree may change at short notice, therefore, it is important to always ensure that one is reading the current valid decree! (the decree can be found on the following websites: <https://net.jogtar.hu/jogszabaly?docid=A2000408.KOR&cclpara=&dbnum=1> and <https://magyarkozlony.hu/> [Issue no.195.])

- The government decree does not apply to the following persons, therefore they may enter Hungary without restrictions:
 - persons holding **diplomatic, external service, service and crew service passports** (*crossing the border with an official purpose: crossing the border with an ordinary national passport or any other travel document for official purposes*)
 - passengers who credibly prove, when entering Hungary, that **they have contracted COVID-19 and were healed within the preceding 6 months**
- **Entry rules for Hungarian citizens (the following fall into the same category as a Hungarian citizen: persons entitled to permanent residence in Hungary and their family members** (must be proved with a document), and in addition they hold a **valid permit** allowing to stay in Hungary **for more than 90 days** issued by the **Hungarian Aliens Policing Authority (must be presented on entry)**, for **sportspersons** or **sports experts** of a Hungarian sports organization in case they take part in a sports event abroad, persons delegated by a Hungarian sports organization to an international sports event taking place abroad, and employees of a Hungarian cultural institution in case they attended a cultural event organized abroad either as performers or as technical staff :
 - **medical checks on entry (body temperature measurement)**
 - if **suspicion of infection is established** → quarantine in a designated place or home quarantine
 - if **suspicion of infection is not established** → person(s) will be obliged to go to home quarantine in case they have a permanent or temporary place of residence in Hungary. In case they do not have a permanent or temporary place of residence in Hungary, they are obliged to go to a designated quarantine.
- **Entry rules for non-Hungarian citizens:**
 - **may not enter Hungary, except for persons who have been granted exemption from the regulation prohibiting entry by the Budapest XVIII. district Police.** The forms for requesting exemption must in all cases be submitted **electronically** and in **Hungarian or English** languages (forms can be found on <https://ugyintezes.police.hu/web/guest/uj-ugy-inditasa/> website or may be submitted via "Ügyfélkapu", the Hungarian Administrative Portal) (for further information, please read the Government Decree)
 - passengers allowed to enter Hungary must present on arrival **the original copy** of the document allowing them to enter Hungary to the police officer. If they **do not show** this document to the police officer or the **authenticity of the document is questioned**, they **must be denied entry** to Hungary
 - the passenger allowed to enter Hungary **must undergo medical checks (measurement of body temperature):** If suspicion of **COVID-19 infection is established**, the passenger **must be refused entry**. If suspicion of infection is **not established**, a 10-day **designated quarantine** or **home quarantine** will be ordered
- Business travels between **affiliated companies:**
 - Passengers may enter Hungary **without restrictions** if they are the senior managers or employees of a company based in Hungary or a company registered in another state which is the affiliated company of another business entity registered abroad (23. of 4.§ of Act LXXXI of 1996)
- **Business travels and travels of an economic nature:**
 - **Hungarian citizens:** in case the purpose of their travel from Hungary is of a **business nature** or an **economy-related activity**, this fact must be credibly proven with a certificate on arrival back to Hungary → may enter Hungary without restrictions arriving back from abroad (if doubts arise relating to the certificate → medical checks and ordering quarantine)
 - **Non-Hungarian citizens:** in case the purpose of their travel to Hungary is of a **business nature** or an **economy-related activity**, this fact must be credibly proven with a certificate on entry to Hungary (if doubts arise relating to the certificate → medical checks and ordering quarantine)
- **Rules applying to sportspersons, sports experts and persons participating in sports events:**
 - **On entry to Hungary, arriving home from an international sports event organized abroad**
 - a) sportspersons or sports experts of a Hungarian sports organization OR
 - b) persons taking part in an international sports event organized abroad and holding an invitation by name issued by a Hungarian sports organization shall undergo a medical examination, after which a 10-day home quarantine shall be ordered to the sportsperson's permanent or temporary address and to the area of the real estate used for sports activities by the sports organization
 - **Non-Hungarian citizens**
 - a) participants (excluding spectators) of an international sports event organized on the territory of Hungary
 - b) persons taking part in an international sports event organized in Hungary holding an invitation by name issued by the official organizer of the international sports event
 - c) sportspersons possessing a competition permit, sports expert or contributing persons arriving to Hungary on invitation of a Hungarian sports organization or a national sport federation
 - d) **performers** or **technical staff** of a **cultural** event organized in Hungary are allowed to enter Hungary if they can provide **two negative SARS-CoV-2 test results (either in Hungarian or English)** with a minimum of **48 hours difference between them** taken **within the 5 days prior to the entry date that the SARS-CoV-2 coronavirus had not been detected in their bodies at the time of the tests** (there is also a possibility to accept a test done within 3 days prior to the sports event or cultural event provided that it is presented in either Hungarian or English)
 - **Spectators of a sports event or a cultural event organized in Hungary may enter if:**
 - a) **suspicion of infection is not established** during a medical check
 - b) they present their ticket entitling them to participate in the event (if they do not show it or the authenticity of the ticket is questioned they may not enter)
 - c) they can provide **one negative SARS-CoV-2 test result** (molecular biology examination in compliance with professional medical practice) **either in Hungarian or English** taken **within the 3 days prior to entry to Hungary that the SARS-CoV-2 coronavirus had not been detected in their bodies at the time of the tests. They may stay a maximum of 72 hours in Hungary!**
- **In case of airport transits, passengers not allowed to enter Hungary must stay only in the transit area of the airport**
- **Rules applying to transiting passengers:**
 - **foreign nationals arriving with transiting purposes may enter Hungary with the following conditions:**
 - **no suspicion of COVID-19 infection can be established during the mandatory medical checks (measurement of body temperature)**
 - **passengers meet entry conditions outlined in the Schengen Borders Code**
 - **passengers credibly prove the purpose and the destination of their journey**
 - **the passenger concerned is allowed to enter a neighbouring country from Hungary en route to the destination country**
 - persons allowed to enter Hungary this way are only allowed to travel **on the route designated by the police** while passing through the territory of Hungary; they are only allowed to stop for **reasons indispensable for transiting** (medical or technical reasons) **at the designated rest areas, and they are obliged to leave Hungary within the shortest possible time (maximum 24 hours)**

Persons placed in quarantine, upon request, may be granted permission by the competent epidemiological authority to take part twice within 5 days in a SARS-CoV-2 test (molecular biology examination in compliance with professional medical practice) performed in Hungary at two different times with at least 48 hours between them in order that they may be granted exemption from the quarantine. In case the two molecular biology tests (SARS-CoV-2 tests) performed in Hungary do not detect the presence of the virus in the bodies of the persons placed in quarantine at the time of the tests, the competent epidemiological authority shall grant exemption from the quarantine.

Government Decree 419/2020 (IX.1.) stipulates different rules for entry to Hungary from the territories of the Czech Republic, the Polish Republic, and the Slovak Republic. Signature of the present form by the passenger concerned shall take place in front of the competent police body after it is filled with data and the data are checked by police officers in the relevant systems.
