UJA at the start - let's arrange a party!

UJA offers corporate clients to make a unique gift to their team for the New Year holidays - to reveal the magic of flying over the majestic and festive Kyiv.

Special hour flight over Kiev

Departure and arrival from Boryspil airport

The EMBRAER 195 aircraft has a maximum number of seats of 116

The price is UAH 2100 per seat *

It is possible to calculate the cost on individual request

* The equivalent of USD 70 provided the flight is fully booked

Event program

Your flight is an incredible experience and an opportunity to learn how aviation works from professionals.

Pilots will tell you things you didn't even know before - what "flight tickets", "echelon" and "briefing" are, what weather is considered unfavorable for the flight and much more.

A lottery with valuable aviation prizes will be held for passengers on board.

We guarantee the sun above the clouds and a good mood.
