Medical institution's stamp

## Conditions and restrictions

1. Expectant mothers are required to carry a 'fit to fly' form (medical certificate) completed by their gynecologist/doctor above after 28 weeks of pregnancy.
2. UIA reserves the right to refuse for air carriage of an expectant mother:
  - who does not present a completed medical certificate at either the baggage drop counter and/or the boarding gate or
  - if the representative of the airline has doubts about the timing of pregnancy or
  - birth terms expected or
  - if judging by outside signs the pregnancy is experiencing complications or
  - woman's state of health is not satisfactory.
3. Expectant mothers in normal health up to and including the 35<sup>th</sup> week of single pregnancy (in case of multiple pregnancy, up to the 32<sup>nd</sup> week) do not require medical clearance.
4. In case of doubt about the real expected date of delivery and/or bad state of health during the pregnancy, medical clearance and MEDIF are required in earlier time period.
5. For uncomplicated pregnancies travel is not permitted beyond the following dates:
